This Joint Stipulation of Settlement and Release of All Claims, including all Exhibits hereto (collectively, the "Agreement"), is entered into by and between Plaintiffs (as hereinafter defined) and the Class of individuals that they seek to represent (as hereinafter defined), on the one hand, and Defendant (as hereinafter defined), on the other hand.

RECITALS

WHEREAS, on April 17, 2008, Plaintiff Michael Danieli filed his initial Complaint, as a proposed class action, in which he alleged, among other things, that International Business Machines Corporation ("IBM") misclassified putative class members as exempt from overtime pay requirements under federal and state wage and hour laws and improperly withheld credits that the putative class members alleged are due under certain benefit plans.

WHEREAS, the Complaint asserted claims under the Employee Retirement Income Security Act ("ERISA"), the Fair Labor Standards Act ("FLSA"), and various California state laws and sought recovery of, among other things, unpaid compensation, liquidated damages, interest, pension benefits, waiting time penalties, compensation for failure to provide itemized statements of total hours worked, injunctive relief, and attorneys' fees and costs.

WHEREAS, on February 23, 2009, a First Amended Complaint was filed adding claims under the wage laws of Colorado, Connecticut, Illinois, Kentucky, Maryland, Massachusetts, Michigan, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Washington, and Wisconsin. The First Amended Complaint was brought by Plaintiff Danieli and additional Plaintiffs Steve March, Terri Golkowski, Bill Jacobs, Joseph Glavan III, Anthony Moore, Sr., Charles Antonelli, David Post, Thomas Ottogalli, Patrick McCambridge, Robert Nulty, James Caldwell, Barbara Luca, Timothy Rollins, Melanie Maruca, Darryl Habeck, and Jose Silva.

WHEREAS, on March 18, 2009, Plaintiffs served a motion for conditional certification of an FLSA collective action and facilitation of court-authorized notice;

WHEREAS, on March 18, 2009, Defendant served motions for summary judgment as to Plaintiffs Danieli and Rollins and Opt-Ins Denise Sorokach and Hal Parker;

WHEREAS, Defendant denied and continues to deny all of the allegations made by Plaintiffs in the Litigation (as hereinafter defined) and has denied and continues to deny that it is liable or owes damages to anyone with respect to the alleged facts or causes of action asserted in the Litigation. Nonetheless, without admitting or conceding any liability or damages whatsoever and without admitting that benefit credits, pay and/or overtime amounts were improperly withheld from any employees, Defendant has agreed to settle the Litigation on the terms and conditions set forth in this Agreement, to avoid the burden, expense, and uncertainty of continuing the Litigation.

WHEREAS, Class Counsel (as hereinafter defined) has conducted extensive investigation of this case, reviewing tens of thousands of pages of documents produced by IBM, reviewing data on potential class members, including salary, position worked, and dates of hire and termination, and interviewing hundreds of putative class members regarding their job duties and overtime hours.

WHEREAS, the Parties (as hereinafter defined) participated in the mediation of this matter on September 16, 2009 (presided over by David Rotman).

WHEREAS, Class Counsel has analyzed and evaluated the merits of the claims made against Defendant in the Litigation, and the impact of this Agreement on Plaintiffs and the Class. Based upon their analysis and their evaluation of a number of factors, and recognizing the substantial risks of continued litigation, including the possibility that the Litigation, if not settled now, might not result in any recovery whatsoever for the Class, or might result in a recovery that is less favorable to the Class, and that would not occur for several years, Class Counsel is satisfied that the terms and conditions of this Agreement are fair, reasonable and adequate and that this Agreement is in the best interests of the Class.

NOW THEREFORE, in consideration of the mutual covenants and promises set forth in this Agreement, as well as the good and valuable consideration provided for herein, the Parties hereto agree to a full and complete settlement of the Litigation on the following terms and conditions:

2. APPROVAL AND CLASS NOTICE

2.1 Retention of Claims Administrator. Within 30 calendar days after the execution of this Agreement, the Parties shall retain a Claims Administrator. The Claims Administrator shall be responsible for the claims administration process, distribution to Qualified Class Members, and other duties as provided herein. The Claims Administrator shall be required to agree in writing to treat information it receives or generates as part of the claims administration process as confidential and to use such information solely for purposes of claims administration. The fees and expenses of the Claims Administrator shall be paid exclusively out of the Settlement Payment. The Claims Administrator shall be required to agree to a reasonable cap for fees and expenses for claims administration work, and such cap shall provide the basis for the reserve referenced in Section 1.18. Any fees and expenses in excess of the cap shall not be paid to the Claims Administrator unless the Claims Administrator files a declaration with the Court explaining the basis for the additional fees and costs and receives approval by the Court for such payments to be made out of the Settlement Payment. In no event shall the Claims Administrator seek additional fees and expenses after the Fairness Hearing.

2.2 Preliminary Approval by the Court. On or before October 16, 2009, Plaintiffs and Defendant will submit this Agreement to the Court, together with a Motion for Order Conditionally Certifying Settlement Class and Preliminarily Approving Class Action Settlement, a proposed Notice of Proposed Settlement of Class Action Lawsuit and Fairness Hearing ("Notice") in the form attached as Exhibit A, a proposed Opt-Out Statement in the form attached as Exhibit B, a Claim Form and Release in the form attached as Exhibit C, a proposed Order Granting Preliminary Approval in the form attached as Exhibit D, and individual releases for Plaintiffs Michael Danieli, Jose Silva, Steve March, Terri Golkowski, Bill Jacobs, Joseph Glavan III, Anthony Moore, Sr., Charles Antonelli, David Post, Thomas Ottogalli, Patrick McCambridge, Robert Nulty, James Caldwell, Barbara Luca, Timothy Rollins, Melanie Maruca, and Darryl Habeck in the form attached as Exhibit E. IBM will thereafter provide timely notice of such submission pursuant to the Class Action Fairness Act. Plaintiffs will seek, and Defendant will not oppose, conditional certification of the Class under Rule 23(b)(3) of the Federal Rules of Civil Procedure and 29 U.S.C. § 216(b). If the Court denies the Motion for Order Conditionally Certifying Settlement Class and Preliminarily Approving Class Action Settlement or otherwise fails to enter the proposed Order Granting Preliminary Approval in the form attached as Exhibit D, then the Litigation will resume unless the Parties jointly agree to seek reconsideration of the ruling or seek Court approval of a renegotiated settlement. If a mutually agreed class settlement is not approved, the case will proceed as if no settlement has been attempted, and Defendant retains the right to contest whether this case should be maintained as a class action and/or collective action and to contest the merits of the claims being asserted by Plaintiffs in this Litigation. In such a case, the Parties will negotiate and submit for Court approval a case schedule which shall, among other things, propose dates for completion of class certification and

merits discovery and the filing of motions (and oppositions thereto), including but not limited to Plaintiffs' motion for *Hoffmann-LaRoche* notice, Plaintiffs' motion for class certification under Fed. R. Civ. P. 23, and Defendant's summary judgment motions. Further, if a mutually agreed class settlement is not approved, the Parties agree that the Fourth Stipulation And Order Regarding Case Schedule And Tolling Of FLSA Statute Of Limitations, 'so ordered' by the Court on April 28, 2009 (Docket Entry 81) and/or any subsequent order providing for tolling of the FLSA statute of limitations shall be amended such that the end date for the tolling of the FLSA statute of limitations shall be the later of: (1) the date the Court denies the Motion for Order Conditionally Certifying Settlement Classes and Preliminarily Approving Class Action Settlement or (2) if such motion is timely filed, the date the Court denies the Parties' joint motion for reconsideration of such denial. All other provisions regarding tolling specified in the April 28, 2009 stipulation or subsequent order shall remain in full force and effect.

2.3 Class Notice.

- (A) Within 20 calendar days after the date of entry of the Order Granting Preliminary Approval, IBM will provide the Claims Administrator with a list, in electronic form, of the names, last known addresses, employee serial numbers and Social Security numbers, of all Class Members. So that Class Counsel can assist Class Members with questions about addresses to which the Notice is sent, IBM shall, subject to the Stipulated Protective Order in this case (Docket Entry 52), simultaneously provide Class Counsel with the same list but without Social Security numbers.
- (B) Within 10 calendar days after receiving the information described in Section 2.3(A), the Claims Administrator shall mail, via First Class United States Mail, the Notice in the form attached as Exhibit A, the Opt-Out Statement in the form attached as Exhibit B, and the Claim Form and Release in the form attached as Exhibit C, to all Class Members using each individual's last known address as recorded in Defendant's human resources records or, if different, the address obtained by the Claims Administrator through the National Change of Address Database and any more current address provided by Class Counsel. The Claims Administrator shall take all reasonable steps to obtain the correct address of any Class Members for whom the Notice is returned by the post office as undeliverable and shall attempt remailings in those situations, but in no event shall the Claims Administrator attempt remailings of the Notice to any Class Member more than 40 calendar days after the date of the initial mailing. The Claims Administrator shall notify Class Counsel and Defendant's Counsel at least weekly of any mail sent to Class Members that is returned as undeliverable after the first mailing as well as any such mail returned as undeliverable after any subsequent mailing(s).
- (C) The Claims Administrator will maintain a dedicated phone line that Class Members can call to determine whether their Claim Form and Release has been received and the date of the receipt.

2.4 Class Member Opt-Out.

- (A) Any Class Member may request exclusion from the Class by “opting out.” Class Members who choose to do so must submit a written and signed request for exclusion to the Claims Administrator, in the form attached as Exhibit B, which will be attached to the notice described in Section 2.3. To be effective, such Opt-Out Statements must be (1) mailed to the Claims Administrator via First Class United States Mail and postmarked by a date certain to be specified on the Notice, which will be 45 calendar days after the Claims Administrator makes the initial mailing of the Notice or (2) received by the Claims Administrator by that date, provided, however, that if a Class Member mails the Opt-Out Statement pursuant to option (1), it will be effective only if received by the Claims Administrator on or before 10 calendar days after the end of the Opt-Out Period. The end of the “Opt-Out Period” shall be 45 calendar days after the Claims Administrator makes the initial mailing.
- (B) The Claims Administrator shall stamp the date of receipt of the Opt-Out Statement on the original of each Opt-Out Statement that it receives and shall serve by e-mail and overnight delivery copies of each Statement on Class Counsel and Defendant’s Counsel not later than 3 calendar days after receipt thereof. The Claims Administrator also shall, within 13 calendar days after the end of the Opt-Out Period, provide (by e-mail and overnight delivery) Class Counsel and Defendant’s Counsel with a declaration under penalty of perjury attaching (1) stamped copies of any Opt-Out Statements, with Social Security Numbers redacted, and (2) a final list of all Opt-Out Statements. The Claims Administrator shall retain the stamped originals of all Opt-Out Statements and originals of all envelopes accompanying Opt-Out Statements in its files until such time as the Claims Administrator is relieved of its duties and responsibilities under this Agreement.

- 2.5 Excessive Opt-Outs.** In the event that 100 or more Class Members submit effective Opt-Out Statements, Defendant shall have the right, in its sole discretion, to void this Agreement, by filing with the Court of a Notice of Withdrawal. In no event shall Defendant file such a Notice of Withdrawal later than 20 calendar days after the end of the Opt-Out Period. If Defendant files a timely Notice of Withdrawal, the Litigation will proceed as if no settlement has been attempted. In that event, the Court will enter an order decertifying any and all settlement classes, and Defendant retains the right to contest whether this Litigation should be maintained as a class action or collective action and to contest the merits of the claims being asserted by Plaintiffs in this action. In such a case, the Parties will negotiate and submit for Court approval a case schedule which shall, among other things, propose dates for completion of class certification and merits discovery and the filing of motions (and oppositions thereto), including but not limited to Plaintiffs’ motion for *Hoffmann-LaRoche* notice, Plaintiffs’ motion for class certification under Fed. R. Civ. P. 23, and Defendant’s summary judgment motions. Further, if Defendant files a timely Notice of Withdrawal, the Parties agree that the Fourth Stipulation And Order Regarding Case Schedule And Tolling Of FLSA Statute Of Limitations, ‘so ordered’ by the Court on April 28, 2009 (Docket Entry 81), and/or any

subsequent order providing for the tolling of the FLSA statute of limitations, shall be amended such that the end date for the tolling of the FLSA statute of limitations shall be 30 calendar days after the date that Defendant files the Notice of Withdrawal. All other provisions regarding tolling specified in the April 28, 2009 stipulation or subsequent order shall remain in full force and effect.

- 2.6 Claim Form and Release.** A Class Member who does not opt out pursuant to Section 2.4 will be deemed eligible for a payment hereunder if and only if he or she timely executes and returns the Claim Form and Release (in accordance with the instructions), in the form attached as Exhibit C, which will be attached to the Notice, including: (1) a statement that, during the applicable period, he or she worked overtime; (2) an acknowledgement that, by signing the Claim Form and Release, he or she opts in to the case pursuant to 29 U.S.C. § 216(b); and (3) a release of claims consistent with that set forth in Section 4.1 of this Agreement. The Claim Form and Release must be signed by the current or former employee who seeks to participate in the settlement or someone with a legal right to act on his or her behalf. To be effective, Class Members' Claim Forms and Release must be (1) mailed to the Claims Administrator via First Class United States Mail and postmarked by a date certain to be specified on the Notice, which shall be 60 calendar days after the Claims Administrator makes the initial mailing of the Notice or (2) received by the Claims Administrator by that date, provided, however, that if a Class Member mails the Claim Form and Release pursuant to option (1), it will be deemed timely only if received by the Claims Administrator on or before 75 calendar days after the Claims Administrator makes the initial mailing of the Notice.

2.7 Objections to Settlement.

- (A) Class Members who wish to present objections to the proposed settlement at the Fairness Hearing must first do so in writing. To be considered, such objections must be (1) mailed to the Claims Administrator via First-Class United States Mail and postmarked by a date certain, to be specified on the Notice, which shall be 45 calendar days after the initial mailing by the Claims Administrator of such Notice or (2) received by the Claims Administrator by that date, provided, however, that if a Class Member mails the objection pursuant to option (1), it will be deemed timely only if received by the Claims Administrator on or before 10 calendar days after the end of the Opt-Out Period. The Claims Administrator shall stamp the date received on the original and send copies of each objection to the Parties by e-mail and overnight delivery not later than 3 calendar days after receipt thereof. The Claims Administrator shall also provide to Class Counsel and Defendant's Counsel (by e-mail and overnight delivery) a declaration signed under penalty of perjury attaching the date-stamped copies of any objections within 13 calendar days after the end of the Opt-Out Period.
- (B) An objector also has the right to appear at the Fairness Hearing either in person or through counsel hired by the objector. An objector who wishes to appear at the Fairness Hearing must state his or her intention to do so at the time he/she submits his/her written objections. An objector may withdraw his/her objections only with Court approval. No Class Member may appear at the Fairness Hearing

unless he or she has submitted a timely objection that complies with the procedures provided in Section 2.7. Any Class Member who has submitted an Opt-Out Statement may not submit objections to the settlement and no such objections shall be considered by the Court.

- 2.8 Motion for Judgment and Final Approval.** Not later than 30 calendar days after the end of the Opt-Out Period, Plaintiffs and Defendant will submit a joint Motion for Judgment and Final Approval. As part of that Motion, the Parties will request that the Judgment and Final Approval Order include the dismissal, without prejudice, of the claims of any individual opt-ins who have not already withdrawn their opt-in forms and who would not be bound by the Judgment either because they are not Class Members or because they opted out of the case.
- 2.9 Entry of Judgment.** At the Fairness Hearing, and in their Motion for Judgment and Final Approval, the Parties will request that the Court, among other things, (a) grant final certification, for purposes of settlement, of the Class under Rule 23(b)(3) and of the opt-in group as a collective action under § 29 U.S.C. 216(b), (b) enter Judgment in accordance with this Agreement and in a form to be proposed by the Parties, (c) approve the settlement and Agreement as final, fair, reasonable, adequate, and binding on all Class Members who have not timely opted out pursuant to Section 2.4, (d) dismiss the Litigation with prejudice, subject to the Court's retention of jurisdiction to oversee enforcement of the Agreement, (e) enter an order permanently enjoining all Class Members who do not opt out from pursuing and/or seeking to reopen claims that have been released by this Agreement, and (f) approve as fair the individual releases in the form attached as Exhibit E.
- 2.10 Effect of Failure to Grant Final Approval.** In the event the Court fails to enter Judgment and grant Final Approval in accordance with this Agreement and in the form to be proposed by the Parties, or such Judgment does not become Final as defined herein, the Parties shall proceed as follows: The Litigation will resume unless the Parties jointly agree to: (1) seek reconsideration or appellate review of the decision denying entry of Judgment, or (2) attempt to renegotiate the settlement and seek Court approval of the renegotiated settlement. In the event any reconsideration and/or appellate review is denied and/or unsuccessful, or a mutually agreed settlement is not approved:
- (A) The Litigation will proceed as if no settlement has been attempted. In that event, the Class and opt-in group certified for purposes of settlement shall be decertified, and Defendant retains the right to contest whether this Litigation should be maintained as a class action or collective action and to contest the merits of the claims being asserted by Plaintiffs in this action. In such a case, the Parties will negotiate and submit for Court approval a case schedule which shall, among other things, propose dates for completion of class certification and merits discovery and the filing of motions (and oppositions thereto), including but not limited to Plaintiffs' motion for *Hoffmann-LaRoche* notice, Plaintiffs' motion for class certification under Fed. R. Civ. P. 23, and Defendant's summary judgment motions. Further, the Parties agree that the Fourth Stipulation And Order Regarding Case Schedule And Tolling Of FLSA Statute Of Limitations, 'so

ordered' by the Court on April 28, 2009 (Docket Entry 81), and/or any subsequent order providing for the tolling of the FLSA statute of limitations, shall be amended such that the end date for the tolling of the FLSA statute of limitations period shall be the later of: (1) the date of the Court's order denying entry of Judgment in accordance with this Agreement and in the form proposed by the Parties or (2) if such motion is timely filed, the date the Court denies the Parties' joint motion for reconsideration of such denial. All other provisions regarding tolling specified in the April 28, 2009 stipulation or subsequent order shall remain in full force and effect.

- (B) The Court will provide notice to Class Members that the Agreement did not receive final approval and that, as a result, no payments will be made to Class Members under the Agreement and that the Parties will continue to litigate the case. Such notice shall be mailed by the Claims Administrator via First Class United States Mail to the addresses used by the Claims Administrator in mailing the Notice.
- (C) Plaintiffs and Defendant will share in equal parts the fees and expenses of the Claims Administrator.

3. SETTLEMENT TERMS

3.1 Settlement Payment.

- (A) Defendant agrees to pay \$7,500,000.00, which shall fully resolve and satisfy any claim for attorneys' fees and costs approved by the Court and any and all amounts to be paid to Class Members, and shall also cover the reserve set aside for reasonable costs of settlement administration, and any court-approved service payments to Plaintiffs. This Settlement Payment shall constitute a special award to the Class and to any Class Members receiving a payment and shall not be considered as a payment of overtime, salary, wages, and/or compensation under the terms of any company benefits plan or for any purpose except for tax purposes as provided under Section 3.5. Other than the employer's share of payroll taxes described in Section 3.5(C), under no circumstances will Defendant be required to pay more than \$7,500,000.00 for any reason under the Agreement. No portion of the Settlement Payment will revert to IBM.
- (B) The Settlement Payment will accrue interest from September 16, 2009 until the date that is 20 calendar days after the Effective Date. Interest shall accrue at a rate of .60% per annum calculated on the basis of a 360 day year for the actual number of days elapsed. Interest accrued on the Settlement Payment, net of taxes and any reasonable fees associated with investing such amount (which shall not be higher than the fees associated with investing that amount in an investment of similar term and yield), shall immediately become part of the Settlement Payment.

- (C) If the reserve set aside for costs of claims administration exceeds the actual costs of claims administration or if Qualified Class Members fail to cash their checks, these remaining funds shall be paid to Charity.

3.2 Settlement Amounts Payable as Attorneys' Fees and Costs.

- (A) At the Fairness Hearing, Class Counsel shall petition the Court for an award of attorneys' fees in an amount not to exceed \$2,250,000.00 (which is 30% of \$7,500,000.00). Class Counsel shall also seek reimbursement of no more than \$150,000.00 in litigation costs and expenses. Defendant will not oppose such a fee and cost application. The Claims Administrator shall pay to Class Counsel these fees, costs, and expenses in the amount approved by the Court from the Settlement Payment no later than 10 calendar days after IBM makes the funds transfer specified in Section 5(D). Defendant shall have no additional liability for fees, costs, or expenses, including, without limitation, administrative costs, expert fees and costs, or attorneys' fees and costs.
- (B) The substance of Class Counsel's application for attorneys' fees and costs/expenses is not part of this Agreement and is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy, and good faith of the settlement of the Litigation. The outcome of any proceeding related to Class Counsel's application for attorneys' fees and costs/expenses shall not terminate this Agreement or otherwise affect the Court's ruling on the Motion for Judgment and Final Approval.

3.3 Payments To Certain Plaintiffs. At the Fairness Hearing, Plaintiffs Michael Danieli, Jose Silva, Steve March, Terri Golkowski, Bill Jacobs, Joseph Glavan III, Anthony Moore, Sr., Charles Antonelli, David Post, Thomas Ottogalli, Patrick McCambridge, Robert Nulty, James Caldwell, Barbara Luca, Timothy Rollins, Melanie Maruca, and Darryl Habeck will apply to the Court to receive no more than \$5,000 each from the Settlement Payment for services rendered to the Class. IBM will not oppose such applications. The Claims Administrator shall pay these service payments in the amounts approved by the Court from the Settlement Payment no later than 10 calendar days after IBM makes the funds transfer specified in Section 5(D), provided that the respective Plaintiffs have executed and provided to Defendant's Counsel individual releases in the form attached as Exhibit E (and provided that any applicable revocation period has expired; if a revocation period applicable to any Plaintiff has not expired, the payment will be made no later than 10 calendar days after the expiration of the revocation period). The service payments and the requirements for obtaining such payments set forth in this Section 3.3 are separate and apart from, and in addition to, other recoveries to which these Plaintiffs might be entitled, and other requirements for obtaining such recoveries, under other provisions of this Agreement. The substance of the above-referenced Plaintiffs' application for service payments is not part of this Agreement and is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy and good faith of the settlement of the Litigation. The outcome of the Court's ruling on the application for service payments shall not terminate this Agreement or otherwise affect the Court's ruling on the Motion for Judgment and Final Approval.

These service payments shall constitute a special award to Plaintiffs receiving such payments and shall not be considered as a payment of overtime, salary, wages and/or compensation to any Qualified Class Member under the terms of any company benefit plan or for any other purpose except for tax purposes. The receipt of service payments shall not affect the amount of any contribution to or level of benefits under any company benefit plan. A Plaintiff who chooses not to sign Exhibit E shall still be able to obtain any amount that he or she is entitled to receive as a Class Member under this Agreement.

3.4 Distribution to Class Members.

- (A) A Class Member who does not opt out pursuant to Section 2.4 will be deemed eligible for a payment hereunder if and only if he or she timely executes and returns the Claim Form and Release (in accordance with the instructions), including the oath, release and opt-in acknowledgement in accordance with section 2.6 above.
- (B) Regardless of whether a Class Member timely executes and returns the Claim Form and Release, any Class Member who does not opt out pursuant to Section 2.4 is subject to the releases set forth in Section 4.
- (C) Settlement payments to Qualified Class Members shall not be considered as a payment of overtime, salary, wages and/or compensation to any Qualified Class Member under the terms of any company benefit plan or for any purpose except for tax purposes as provided under Section 3.5. The receipt of settlement payments shall not affect the amount of any contribution to or level of benefits under any company benefit plan.
- (D) In the event that a Class Member fails to timely submit the requisite Claim Form and Release (in accordance with the instructions), the Class Member shall forfeit any right to distribution from the Settlement Payment and, if he or she does not opt out, will be bound by the releases set forth in Section 4.
- (E) A Qualified Class Member's proportionate share of the Settlement Payment shall be determined by the Claims Administrator as follows:
 - (1) Each Qualified Class Member's proportionate share of the Settlement Payment shall be determined according to the following formula as calculated by the Claims Administrator:
 - (a) For each "Pay Period" in which the Qualified Class Member held a Covered Position during the Recovery Period, multiply the Qualified Class Member's "Base Earnings" for that Pay Period by the appropriate "State Factor" for that Pay Period; the sum of the resulting calculations is the "Individual Class Member Numerator" for each such Qualified Class Member.
 - (2) Add all Qualified Class Members' Individual Class Member Numerators to obtain the "Total Class Member Denominator."

- (3) To determine the “Resulting Decimal” for the Qualified Class Member, divide the Qualified Class Member’s Individual Class Member Numerator by the Total Class Member Denominator.
 - (4) To determine the amount to be paid to the Qualified Class Member, multiply the Resulting Decimal by the total amount available for distribution from the Net Settlement Payment.
- (F) The following definitions shall apply to the terms described in the formula set forth in this Section 3.4.
- (1) “Base Earnings” means, for Qualified Class Members who received payroll earnings code E001 and/or E005, the base salary for each Pay Period during the Recovery Period, as the base salary changed from time to time during the Recovery Period. For Qualified Class Members who received payroll earnings code E371, “Base Earnings” means the sum of the daily payments for each day worked during each Pay Period during the Recovery Period.
 - (2) “Pay Period” shall mean any semimonthly period in which an employee had positive Base Earnings.
 - (3) “State Factor,” which accounts for the fact that the measure of allowable damages and the liability standard varies with the applicable state law, shall be determined as follows:
 - (a) All Class Members will have a State Factor of 3 for Pay Periods worked in a Covered Position Code in California during the Recovery Period.
 - (b) All Class Members will have a State Factor of 1 for Pay Periods worked in a Covered Position Code in all states other than California during the Recovery Period.
 - (4) For purposes of this Agreement, the state of work is the state of the location to which the employee is assigned by IBM Real Estate Site Operations for internal accounting purposes.
- (G) IBM and the Claims Administrator shall exchange such information as is necessary for the Claims Administrator to make proper tax withholdings and comply with tax reporting obligations as described in Section 3.5.

3.5 Taxability of Settlement Payments.

- (A) For tax purposes, 50% of payments to Qualified Class Members pursuant to Section 3.4 shall be treated as wages and 50% of such payments shall be treated as liquidated damages and interest.

- (B) Payments treated as wages pursuant to Section 3.5(A) shall be made net of all applicable employment taxes, including, without limitation, federal, state and local income tax withholding and the employee share of the FICA tax, and shall be reported to the Internal Revenue Service ("IRS") and the payee under the payee's name and social security number on an IRS Form W-2. Payments treated as liquidated damages and interest pursuant to Section 3.5(A) shall be made without withholding and shall be reported to the IRS and the payee under the payee's name and social security number on an IRS Form 1099. Payments of attorneys' fees and costs/expenses pursuant to Section 3.2 shall be made without withholding and reported to the IRS and the payee under the payee's name and taxpayer identification number, which each such payee shall provide for this purpose, on an IRS Form 1099. Any service payments pursuant to Section 3.3 shall be made without withholding and reported to the IRS and the payee under the payee's name and social security number on an IRS Form 1099.
- (C) Defendant shall pay the employer's share of all state and federal payroll taxes imposed by applicable law, including the employer's share of the FICA tax and any federal and state unemployment tax due, with respect to the amounts treated as wages pursuant to Section 3.5(A). Such tax obligations shall be in addition to IBM's obligation to pay the \$7,500,000.00 described in Section 3.1.
- (D) Class Members will be solely responsible for all taxes, interest and penalties owed by the Class Members with respect to any payment received pursuant to this Agreement (other than taxes specified in Section 3.5(C)) and will indemnify, defend and hold Defendant and the Claims Administrator harmless from and against any and all taxes and interest as a result of a Class Member's failure to timely pay such taxes. Plaintiffs, on behalf of the Class and each individual member of the Class, acknowledge and agree that they have not relied upon any advice from Defendant as to the taxability of the payments received pursuant to this Agreement.

4. RELEASE

4.1 Release of Claims.

- (A) By operation of the entry of the Judgment and Final Approval, and except as to such rights or claims as may be created by this Agreement, Plaintiffs and each individual Class Member who does not timely opt out pursuant to Section 2.4 forever and fully release Defendant, its owners, stockholders, predecessors, successors, assigns, agents, directors, officers, employees, representatives, attorneys, parent companies, divisions, subsidiaries, affiliates, benefit plans, plan fiduciaries and/or administrators, and all persons acting by, through, under or in concert with any of them, including any party that was or could have been named as a defendant in the Litigation (collectively, the "Releasees") from any and all past and present matters, claims, demands, and causes of action of any kind whatsoever, whether at common law, pursuant to statute, ordinance, or regulation,

in equity or otherwise, and whether arising under federal, state, or other applicable law, which any such Class Member has or might have, known or unknown, asserted or unasserted, of any kind whatsoever, that are based upon or arise out of the facts, acts, transactions, occurrences, events or omissions alleged in the Litigation and that arose during any time that such Class Member worked in a Covered Position up until and including December 31, 2008 (“Released Claims”). The Released Claims include without limitation claims asserted in the Litigation and any other claims based on alleged misclassification under state or federal law governing overtime pay, exempt status, denial of meal periods and rest breaks, denial of waiting time, on-call, standby time, or reporting time payments, denial of spread of hours pay, failure to pay wages upon termination, failure to provide itemized wage statements, unfair competition, failure to make payments due to Class Members had they been classified as nonexempt, failure to provide benefits or benefit credits, failure to keep records of hours worked or compensation due, and penalties for any of the foregoing, including without limitation claims under the Employee Retirement Income Security Act (“ERISA”), the Fair Labor Standards Act (“FLSA”), the California Unfair Competition Law, Cal. Code Sec. 49.46.090, 49.46.100, 49.46.130, and 49.46.070, and the statutes and regulations of all other states relating to the foregoing.

- (B) Each Class Member who does not timely opt out in accordance with the procedures set forth in Section 2.4 is deemed to have acknowledged that this Agreement is intended to include in its effect all claims asserted in or based upon

the facts alleged in the Litigation that arose during any time up until and including December 31, 2008, including both asserted and unasserted claims, and including those claims that each or any Class Member does not know or suspect to exist in his or her favor against Defendant. With respect to the Released Claims, the Plaintiffs and any Class Members who worked in a Covered Position in California at any time during the Recovery Period and who do not timely opt out of this Agreement waive all rights and benefits afforded by section 1542 of the Civil Code of the State of California, understanding the significance of that waiver. Section 1542 provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

- 4.2 Release of Fees and Costs for Settled Matters.** Class Counsel and Plaintiffs, on behalf of the Class and each individual Class Member, hereby irrevocably and unconditionally release, acquit, and forever discharge any claim that they may have against Defendant for attorneys' fees or costs/expenses associated with Class Counsel's representation of Plaintiffs and the Class. Class Counsel further understand and agree that any fee payments approved by the Court will be the full, final and complete payment of all attorneys' fees and costs/expenses associated with Class Counsel's representation of these individuals.
- 4.3 No Assignment.** Class Counsel and Plaintiffs, on behalf of the Class and each individual Class Member, represent and warrant that they have not assigned or transferred, or purported to assign or transfer, to any person or entity, any claim or any portion thereof or interest therein, including, but not limited to, any interest in the Litigation, or any related action.
- 4.4 Non-Admission of Liability.** By entering into this Agreement, Defendant in no way admits any violation of law or any liability whatsoever to Plaintiffs and/or the Class, individually or collectively, all such liability being expressly denied. Likewise, by entering into this Agreement, Defendant in no way admits to the suitability of this case for class or collective action litigation other than for purposes of settlement. Rather, Defendant enters into this Agreement to avoid further protracted litigation and to resolve and settle all disputes with Plaintiffs and the Class. Settlement of the Litigation, negotiation and execution of this Agreement, and all acts performed or documents executed pursuant to or in furtherance of this Agreement or the settlement: (a) are not, shall not be deemed to be, and may not be used as an admission or evidence of any wrongdoing or liability on the part of Defendant or of the truth of any of the factual allegations in any and all Complaints filed in the Lawsuit; (b) are not, shall not be deemed to be, and may not be used as an admission or evidence of fault or omission on the part of Defendant in any civil, criminal, administrative or arbitral proceeding; and (c) are not, shall not be deemed to be, and may not be used as an admission or evidence of the appropriateness of these or similar claims for class certification or administration or collective action treatment other than for purposes of administering this Agreement. The

Parties understand and agree that this Agreement and all exhibits thereto are settlement documents and shall be inadmissible in evidence in any proceeding, except an action or proceeding to approve, interpret, or enforce the terms of the Agreement.

5. PLAN OF DISTRIBUTION

- (A) Within 65 calendar days after the end of the Opt-Out Period, and based on the Claims Administrator's identification for IBM of Qualified Class Members by employee serial number within 33 calendar days after the end of the Opt-Out Period, IBM will provide the Claims Administrator and, subject to the Stipulated Protective Order in this case (Docket Entry 52), Class Counsel with a list, in electronic form, of the names and last known addresses of all Qualified Class Members, together with information regarding their compensation and state(s) of work for their respective periods of employment within the Recovery Period while working in a Covered Position. With the exception of addresses, this data, and any other data provided by IBM to the Claims Administrator pursuant to this Agreement, shall be conclusively presumed to be accurate. Within 15 calendar days after the entry of the order granting final approval, IBM will give a report to the Claims Administrator and Class Counsel regarding: 1) interest earned on the Settlement Payment through and including the date 15 calendar days after entry of the order granting final approval; 2) the reasonable costs associated with investing the Settlement Amount; 3) the estimated taxes on the interest earned on the Settlement Amount.
- (B) Within 20 calendar days after the Effective Date, the Claims Administrator shall provide to Class Counsel and Defendant's Counsel a proposed plan of distribution of the Settlement Payment, containing the names of and proposed distribution to each Qualified Class Member ("Plan of Distribution"). At the same time, the Claims Administrator shall also provide an itemized list of its costs and expenses and all other amounts to be deducted from the Settlement Payment. Each Party shall have 7 calendar days from receipt of the Plan of Distribution to serve the other Party and the Claims Administrator with any corrections to the Plan of Distribution, or to comment on the administrative costs and expenses or other deductions. The Claims Administrator shall make any changes to the Plan of Distribution agreed upon by the Parties and then serve the final Plan of Distribution within 5 calendar days of receiving such corrections.
- (C) If the Parties disagree over the Plan of Distribution, they will submit any disagreement to the Court for resolution. Any dispute over administrative costs and expenses shall also be submitted to the Court.
- (D) Within 33 calendar days after the Effective Date, or the date on which the Court resolves any disputes under Section 5(C), whichever is later, IBM shall transfer the Settlement Payment, less an amount equal to the gross wage payments to be made to Qualified Class Members, to the Claims Administrator. Within 55 calendar days after the Effective Date, IBM shall deliver to the Claims

Administrator individual wage payment checks, less withholdings as specified in Section 3.5(B), for each Qualified Class Member.

- (E) The Claims Administrator will make every effort to mail to all Qualified Class Members their wage and non-wage payments under this Agreement within 60 calendar days after the Effective Date. The Claims Administrator shall use reasonable efforts to make a second mailing to Qualified Class Members whose checks are returned because of incorrect addresses. Such efforts shall include using Social Security numbers to obtain better address information and, for Qualified Class Members whose payment is greater than \$100, attempting to call such Qualified Class Members. The Claims Administrator shall provide Class Counsel and Defendant's Counsel a declaration describing the efforts it took to reach Qualified Class Members who have not cashed checks. Any additional efforts undertaken shall be in the sole discretion of the Claims Administrator. All efforts of the Claims Administrator to send checks to Qualified Class Members shall cease no later than 2 months after the Claims Administrator makes the initial mailing of checks.

6. PUBLIC STATEMENTS; CLASS MEMBER INQUIRIES; NO SOLICITATION

6.1 Public Statements; Class Member Inquiries

- (A) The Parties agree that no press release regarding this matter will be issued by either Party.
- (B) IBM's, Plaintiffs' and Class Counsel's responses to any press inquiries regarding this matter must be limited to a joint response statement agreed upon by the Parties and/or the Notice and/or other material agreed upon by the Parties. Nothing in this clause shall prevent Defendant or Plaintiffs or Class Counsel from giving sworn testimony as required by law or other legal process.
- (C) As of the date of the Order Granting Preliminary Approval, Class Counsel agree to remove from, and will not restore to, the website Class Counsel maintains regarding the Litigation, www.secondwagecaseagainstIBM.com (hereinafter, "Website"), any reference to or information about the Litigation, subject to the following exceptions: Class Counsel may post on the Website general background information agreed upon by Defendant regarding claims administration and processing and copies of the Court-approved Notice and the Claim Form and Release. The Website will be taken down entirely, and not restored, within 180 days after the initial mailing of settlement checks.
- (D) Class Counsel and Plaintiffs Michael Danieli, Jose Silva, Steve March, Terri Golkowski, Bill Jacobs, Joseph Glavan III, Anthony Moore, Sr., Charles Antonelli, David Post, Thomas Ottogalli, Patrick McCambridge, Robert Nulty, James Caldwell, Barbara Luca, Timothy Rollins, Melanie Maruca, and Darryl Habeck agree (i) to take down all websites (other than the Website), blogs, or blog postings referring to the Litigation as of the date the Court issues the Order

Granting Preliminary Approval, and (ii) not to create new such websites, blogs, or blog postings. The website of each Class Counsel, however, may link to the Website; the link may contain only the caption of the case and a statement that information about the case, the settlement, and the administration of settlement payments is available on the Website.

- (E) Class Counsel, Plaintiffs, Defendant, and Defendant's Counsel agree not to discourage Class Members from seeking payment from the Settlement Payment.
- (F) Nothing contained in this Section shall prevent Class Counsel from providing legal advice to Class Members.

7. **REPRESENTATIONS SECTION; GOLKOWSKI AGENCY CHARGE.** IBM represents and affirms that it will exercise reasonable diligence and act in good faith to provide accurate data to the Claims Administrator. Similarly, IBM represents and affirms that it has exercised reasonable diligence and acted in good faith during the discovery process of the Litigation to provide accurate data to Class Counsel about the Class Members. IBM further represents and affirms that, as to representations that it made prior to mediation in the Litigation about the content of data that it produced in discovery, such representations were accurate to the best of IBM's information and belief. Plaintiffs and Class Counsel represent that, to the best of their knowledge and other than the Litigation, no Class Member has initiated any Court or agency proceeding involving Released Claims except an agency proceeding initiated by Plaintiff Golkowski with the Connecticut Department of Labor (the "Golkowski Charge"). Plaintiff Golkowski agrees to withdraw the Golkowski Charge and to seek the agency's approval of such withdrawal. If the Connecticut Department of Labor has not approved the withdrawal of the Golkowski Charge by the end of the Opt-Out Period, Plaintiff Golkowski shall be deemed to have opted out of the Litigation pursuant to Section 2.4 effective as of the end of the Opt-Out Period.

8. **MISCELLANEOUS**

- 8.1 **Cooperation Between the Parties; Further Acts.** The Parties shall cooperate fully with each other and shall use their best efforts to obtain the Court's approval of this Agreement and all of its terms. Each of the Parties, upon the request of any other party, agrees to perform such further acts and to execute and deliver such other documents as are reasonably necessary to carry out the provisions of this Agreement.
- 8.2 **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties with regard to the subject matter contained herein, and all prior and contemporaneous negotiations and understandings between the Parties shall be deemed merged into this Agreement. The Parties agree that this Agreement shall not affect the enforceability of any independent separation or release agreement entered into by any Class Member.
- 8.3 **Binding Effect.** This Agreement shall be binding upon the Parties and, with respect to Plaintiffs and the Class Members, their spouses, children, representatives, heirs, administrators, executors, beneficiaries, conservators, attorneys and assigns.

- 8.4 Arms' Length Transaction; Materiality of Terms.** The Parties have negotiated all the terms and conditions of this Agreement at arms' length. All terms and conditions of this Agreement in the exact form set forth in this Agreement are material to this Agreement and have been relied upon by the Parties in entering into this Agreement.
- 8.5 Captions.** The captions or headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and shall have no effect upon the construction or interpretation of any part of this Agreement.
- 8.6 Construction.** The determination of the terms and conditions of this Agreement has been by mutual agreement of the Parties. Each party participated jointly in the drafting of this Agreement, and therefore the terms and conditions of this Agreement are not intended to be, and shall not be, construed against any party by virtue of draftsmanship.
- 8.7 Blue Penciling.** Following the Effective Date, if any provision of this Agreement is held by a court of competent jurisdiction to be void, voidable, unlawful or unenforceable, the remaining portions of this Agreement will remain in full force and effect.
- 8.8 Governing Law.** This Agreement shall in all respects be interpreted, enforced and governed by and under the laws of the State of New York, without regard to choice of law principles, except to the extent that the law of the United States governs any matter set forth herein, in which case such Federal law shall govern.
- 8.9 Continuing Jurisdiction.** The Court shall retain jurisdiction over the interpretation and implementation of this Agreement as well as any and all matters arising out of, or related to, the interpretation or implementation of this Agreement and of the settlement contemplated thereby. The Court shall not have jurisdiction to modify the terms of the Agreement or to increase IBM's payment obligations hereunder.
- 8.10 Waivers, etc. to Be in Writing.** No waiver, modification or amendment of the terms of this Agreement, whether purportedly made before or after the Court's approval of this Agreement, shall be valid or binding unless in writing, signed by or on behalf of all Parties and then only to the extent set forth in such written waiver, modification or amendment, subject to any required Court approval. Any failure by any party to insist upon the strict performance by the other party of any of the provisions of this Agreement shall not be deemed a waiver of future performance of the same provisions or of any of the other provisions of this Agreement, and such party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions of this Agreement.
- 8.11 Counterparts.** The Parties may execute this Agreement in counterparts, and execution in counterparts shall have the same force and effect as if Plaintiffs and Defendant had signed the same instrument.
- 8.12 Facsimile or Emailed Signatures.** Any party may execute this Agreement by causing its counsel to sign on the designated signature block below and transmitting that signature page via facsimile or email to counsel for the other party. Any signature made and transmitted by facsimile or email for the purpose of executing this Agreement shall be

deemed an original signature for purposes of this Agreement and shall be binding upon the party whose counsel transmits the signature page by facsimile or email.

- 8.13 Signature by Class Counsel.** Class Counsel represent, by their signatures below, that they have been authorized by Plaintiffs to sign this Agreement on Plaintiffs' behalf.
